Mission Doctors Association Virtual Gala

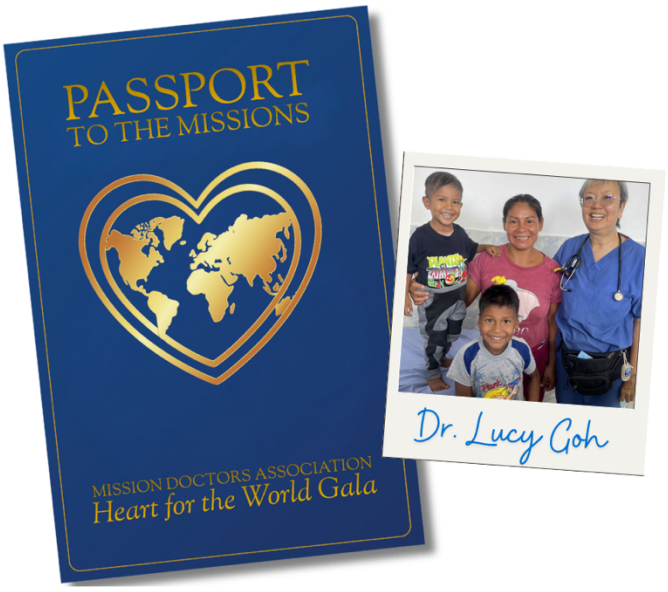

Laetare Sunday — March 7, 2027 | Livestreamed Nationwide
Honoring Dr. Lucy Goh

Our Mission

Since 1959, Mission Doctors Association has recruited, prepared, sent, and supported Catholic physicians, dentists, nurse practitioners, and physician assistants who bring healing and hope to underserved communities around the world. Rooted in the Gospel call to serve, our missionaries deliver compassionate medical care where it is needed most and train local professionals always working toward sustainability.

About the Gala

On Laetare Sunday, the joyful "rejoice" Sunday at the midpoint of Lent, friends of Mission Doctors Association will gather virtually from across the country for Passport to the Missions, an evening celebrating the missionaries, benefactors, and communities that make our work possible.

This year's gala will honor Dr. Lucy Goh for her extraordinary dedication to mission medicine and will take guests on a journey "stamp by stamp" through the countries MDA serves, sharing stories of healing, faith, and hope from the field.

As a virtual event, Passport to the Missions reaches a national audience of donors, medical professionals, and Catholic faithful from the comfort of their own homes, offering sponsors broad visibility at a meaningful moment in the Church calendar.

Why Sponsor?

- Stand with the Church's mission to bring Christ-centered healing to the world's most underserved communities.
- Reach a national, mission-minded audience of Catholic donors and healthcare professionals.
- Align your organization or practice with a respected, 65+ year legacy of medical missionary service.
- Receive meaningful, tiered recognition across MDA's digital and print communications.

Sponsorship Opportunities

We invite you to partner with us at the level that best fits your organization's giving goals. Each tier includes the recognition below; custom and in-kind partnerships are also welcome.

Interested in an in-kind sponsorship (event production, honoraria, or auction items)? We would be glad to discuss a custom partnership.
